HOW TO DO A TOMBSTONE RUBBING

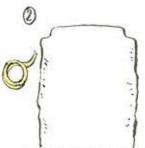

BY YUMI SAKUGAWA

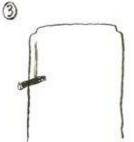

USING YOUR BRUSH.
REMOVE ALL DIRT, MOSS,
BIRP DROPPINGS.ETC. USE
SPRAY AND RAG IF NECESSIARY.
IF YOU THINK YOU'RE GOING TO
SCRATCH THE STONE, LEAVE
AS IS.

CUT A SHEET OF PAPER THAT IS BIGGER THAN TOMBS TONE AND SECURE VERY TIGHTLY WITH TAPE ON THE BACK, WRAPPING AROUND EDGES.

TIME TO RUB! UIING YOUR CRAYON OR RUBBING WAX, START FROM THE EDGES TO DEFINE A FRAMING BORPER FOR YOUR RUBBING.

ONCE YOU HAVE PEFINED THE BORDER, RUB IN THE REST OF THE PESIGN.

GO OVER THE TOMBSTONE
DESIGN WITH YOUR CRAYON/
RUBBING WAX UNTIL DESIRED
DARKNESS/SHAPE IS REACHED.

ALL DONE! REMOVE TAPE AND REMOVE PAPER. TRIM EDGES TO DESIRED SIZE.
